

Complimentary Webinar: Strategic Use of Outside Counsel

News, Privacy, Technology and Data Security, Speaking March 3, 2020

Complimentary Webinar: Strategic Use of Outside Counsel – Best Practices for Corporate Legal Departments will be offered on March 26, 2020 at 2 pm EST.

This session will discuss best practices in leveraging outside counsel to maximize value while minimizing costs. This presentation will provide examples of specific projects where small or mid-sized companies could utilize outside counsel in the areas of intellectual property, contract negotiations and privacy & data security.

Presenter: Kristin Biedinger, Esq.
