Articles, **COVID 19: Answers to Business Challenges** March 27, 2020

As Tucker Arensberg continues to operate remotely, we wanted to update you on COVID-19 information. The firm has formed a COVID-19 Rapid Response Team, the purpose of which is to provide prompt support when needed on any of the legal challenges and questions you may be facing in this difficult time.

The Team is also working to keep our clients and friends of the firm up to date on the latest legal information related to COVID-19. These updates can be found on our website at [COVID-19: Answers to Business Challenges](#).

Questions can be sent to the COVID-19 Rapid Response Team at covidresponse@tuckerlaw.com

Our remote operations have gone very well, and we remain able to address all of your needs. Attorneys can still be reached via email, telephone, and voice mail. Video capabilities such as GoToMeeting are also available. If you are unsure of your attorney's email or phone number, he or she can be accessed on the Tucker Arensberg website.

As we continue to deal with the personal and legal issues associated with COVID-19, we hope that you are all staying safe.
