

Proposed 2021 Medicare Physician Fee Schedule Changes

News August 13, 2020

Attached is a link to the fact sheet for “proposed policy, payment, and quality provisions changes to Medicare physician fee schedule for calendar year 2021”.

Among other things, Centers for Medicare & Medicaid Services (CMS) proposes to:

- Significantly decrease the Medicare Work Relative Value Unit (WRVU) conversion factor from \$36.09 to \$32.26
- Significantly revise the WRVU waiting and coding guidelines for popular E&M Codes 99211-99215
- Significant WRVU decreases for radiology, CRNAs and chiropractors
- Additional telehealth approved services
