

Taskforce on Telehealth Policy Urges CMS to Retain Telehealth Changes

Articles, COVID 19: Answers to Business Challenges September 30, 2020

By Michael Cassidy

The Taskforce on Telehealth Policy (TTP) conveyed by NCQA, the Alliance for Connected Care, and the American Telemedicine Association (ATA) issued a report urging the retention of the new policies on telehealth issued by CMS during the COVID-19 Public Health Emergency (PHE). Use [this link](#) to view the report.
