

DOL Cybersecurity Audits

Articles, News July 8, 2021

Edward A. Wodarczyk, Esq., ewodarczyk@tuckerlaw.com, (412) 594-3920

During April, the DOL provided guidance about how cybersecurity is an ERISA fiduciary responsibility for retirement plans. For more on this, see our past newsletter. There are reports that the DOL has begun a cybersecurity audit initiative and is issuing information and document requests to retirement plan sponsors. If you want to be best positioned to respond to a DOL cybersecurity audit, you should follow the cybersecurity guidance provided by the DOL and document your actions.
