

Highmark Fraud Waste and Abuse Results

Articles February 10, 2022

Michael A. Cassidy, mcassidy@tuckerlaw.com, (412) 594-5515

Highmark Health issued a Press Release on February 7, 2022 announcing that its Financial Investigations and Provider Review (FIPR) department generated more than \$245 million in savings related to fraud waste and abuse in 2021, the majority of which was in Pennsylvania—\$184 million.

[Click here](#) to see to what the Highmark FIPR Department has identified as the “Red Flags of Fraud”.
