Tucker Arensberg is proud to be a member of the Law Firm Alliance, a strategic alliance of law firms created to provide clients with capable and responsive legal services through a reliable national and international network of member firms.

The Law Firm Alliance's (<http://www.lawfirmalliance.org/>) membership currently includes about 50 law firms in North America, and a number of foreign countries. These law firms represent over 4,000 attorneys experienced in all major practice areas.

Our affiliation with the Law Firm Alliance enables the firm to call upon the counsel, assistance and know-how of member firms to offer legal services to our clients in other parts of the country and internationally, and to provide access to local representation, wherever clients need it. The resources of each firm in the network are directly accessible to our clients. The Law Firm Alliance also provides an opportunity for member firms to share information on providing better client service, improving firm governance and developing marketing strategies.

Members of the Law Firm Alliance maintain substantial business, finance and litigation practices and are similar in terms of legal practice, attorney depth and skills, and professional standards. Each firm has also demonstrated the highest possible commitment to attentive client service and is rated AV Preeminent[®] by the Martindale Hubbell Peer Review Rating system, its highest rating.
