

Anthony J. Judice

Experienced litigation attorney dedicated to representing clients through all aspects of the adversarial process.

Anthony works primarily within the Litigation Group as a member of the Employment & Labor practice area. He is a seasoned litigator with experience representing clients across a variety of industries from large scale corporations to residential property owners. Prior to joining Tucker Arensberg, P.C. Anthony was an attorney at a top National level law firm where he worked on a wide range of legal areas touching on both complex litigation and business transactions.

Anthony has been successfully handling legal disputes for nearly a decade. During this time, he established a track record of success by leveraging a collaborative work style to accomplish all short- and long-range objectives. He developed the ability to clearly convey complex information and build consensus with key stakeholders and executive leaders. Anthony believes this philosophy and work ethic is exceedingly prudent in resolving or preventing disputes in today's legal landscape.

Anthony also takes the necessary time to give back to the Pittsburgh community. He was honored in 2015 as one of Pittsburgh's 50 Finest by the Cystic Fibrosis Foundation and has since volunteered as a mentor to various young professionals being honored in subsequent years.
